Tomball Emergency Assistance Ministries Volunteer Liability and Policy Agreement

Waiver of Liability

I hereby agree for myself and/or my children, and on behalf of all of my family, heirs, successors, assigns and/or representatives to release TEAM and all of its officers, staff, and volunteers from any and all liability, claims, demands, acts of nature, and actions which might be made for any losses, expenses, or damages of any kind. I assume full responsibility for any risk occurring from my and/or my child's participation. TEAM assumes no responsibility for any loss, damage, or injury to persons or property in connection with your participation in TEAM volunteer activities. My participation in TEAM programs indicates a knowledge of, and an assumption of, the resulting risks, an acceptance of responsibility and liability. I also assume liability for any individuals that may accompany me during my participation in these programs. I understand that I am therefore urged to be sure to secure appropriate medical and personal injury and property damage insurance coverage prior to my participation with TEAM and any of the organization's programs.

Non-Discrimination

TEAM does not, and shall not, discriminate against any individual or class of individuals on the basis of their race, color, religion, gender, national origin, age, disability, marital status, or genetic information. All reported or suspected occurrences of harassment will be promptly and thoroughly investigated, and where determined, take appropriate disciplinary action. All volunteers are protected by and are expected to comply with this policy and to take appropriate measures to guarantee that prohibited conduct does not occur.

The U.S. Equal Employment Opportunity Commission defines Harassment as the following:

Harassment is unwelcome conduct that is based on race, color, religion, sex (including pregnancy), national origin, age (40 or older), disability or genetic information. Harassment becomes unlawful where 1) enduring the offensive conduct becomes a condition of continued employment, or 2) the conduct is severe or pervasive enough to create a work environment that a reasonable person would consider intimidating, hostile, or abusive. Anti-discrimination laws also prohibit harassment against individuals in retaliation for filing a discrimination charge, testifying, or participating in any way in an investigation, proceeding, or lawsuit under these laws; or opposing employment practices that they reasonably believe discriminate against individuals, in violation of these laws.

Dual Relationships

In keeping with TEAM's professional status within the community and to reduce any unintentional conflict, there must be no exchange of money or goods between TEAM staff/volunteers/student interns and clients currently or formerly served by TEAM. TEAM prohibits staff/ volunteers/student interns from fraternizing with any client(s) served by TEAM programs. If evidence of non-professional, non-work-related interactions between a staff person/volunteer/student intern is reported, the TEAM Executive Director will conduct an investigation of the issue which could result in disciplinary action including termination. Involvement by TEAM staff persons, volunteers and student interns with clients must only be in ways that are professional and ethical. TEAM staff persons, volunteers and student interns must discuss possible relations involving other staff, volunteers, student interns or potential clients with the TEAM Executive Director prior to involvement so that any concerns or conflicts of interest may be addressed in a timely manner.
